Dairy livestock poultry expo - AgroFarm India International Exhibition and Conference was held from 6th to 8th September, 2019 at Mahatma Mandir, Gandhinagar, Gujarat, India. We have been organizing this exhibition since 2013, 7th edition was successfully concluded on 8th September, 2019 in association with Gujarat Progressive Dairy Farmers Association (GPDFA), DLG (German Agriculture Society) & IFWexpo.

The Exhibition was inaugurated by Shri Vijaybhai Rupani, Honorable Chief Minister Of Gujarat; Shri Narendra Singh Tomar, Honorable Minister Of Agriculture & Farmers Welfare Department Of Agriculture Farmers Welfare & Cooperation, Government Of India; Shri Jaydrathsinhji Parmar, Agriculture Panchayat, Environment, Government Of Gujarat; Shri Ishwar Patel, Minister Of Co-operation, Sports, Youth And Cultural Activities, Transport, Government Of Gujarat; Shri Bachubhai Khabad, Minister Of State - Animal Husbandry & Cow Breeding, Gujarat; Shri Ramshinh Parmar, Chairman - Gujarat Cooperative Milk Marketing Federation Limited (GCMMF) & Amul; Dr. Rutvij Patel, President - Bharatiya Janta Yuva Morcha Gujarat (BJYM); Shri T.R. Kesavan, Chairman - Tractor Manufacturers Association; Shri Punamchand Parmar, Additional Chief Secretary - Agriculture, Farmers Welfare & Co-operation Department - Government Of Gujarat; Dr. Harsh Kumar Bhanwala, Chairman Of National Bank For Agriculture And Rural Development (NABARD); Shri Manish Bhardwaj, Secretary - Animal Husbandry, Government Of Gujarat; Shri K S Randhawa, Managing Director - Gujarat Agro Industries Corporation Ltd.; Dr. Bharat Patel, Chairman - Gujarat Progressive Dairy Farmers Association (GPDFA); Mr. Sanyal Desai, CEO - Radeecal Communications; Mr. Neeraj Desai, CFO - Radeecal Communications; Angelina Laas, Trade Fairs & Exhibitions Area Manager Southeast Asia And Pacific - DLG Service GMBH.

Dairy livestock poultry expo - AgroFarm India has witnessed around 1,00,000+ visitors from entire India and Abroad. This dynamic event on Dairy, Livestock & Agriculture designed for Progressive Farmers, Dairy & Livestock Related Business People, Veterans & Agronomists, Feed Technologists & Biotechnologist, Government employees and for everyone who are willing to learn & Expand their business and take The Next Giant Leap in Dairy, Livestock & Agriculture sectors.

DLPE ASIA 2019

50+ companies from Dairy & Livestock sector and 100+ companies from Agriculture sector exhibited from India and Overseas and showcased their products and services. Entire exhibition was spreader over 15,000 square meter accommodating 3 halls & 2 seminar halls of the spectacular and world class venue of Mahatma Mandir.

The 9th edition of Agri Asia, was organized as concurrent event to 7th Dairy livestock poultry expo - AgroFarm India, has proven a perfect platform for the Progressive & Dairy Farmers, Agriculture Farmers & Business People. The event was greatly supported & Sponsored by Gujarat Progressive Dairy Farmers Association (GPDFA), Gujarat Cooperative Milk Marketing Federation Ltd. (GCMMF) & Amul.

GP DFA - Gujarat Progressive Dairy Farmers Association

- » 7th Dairy livestock poultry expo - AgroFarm India was organized along with GP DFA for the Greater success of the event.
- » GP DFA is a pioneer organization working for the overall development of dairy farmers of Gujarat.
- » It was established in 2010 under technical support of AMUL, Government & Semi Governments.
- » GP DFA is the association where Many progressive Dairy farmers are involved and helping Gujarat for becoming a Dairy hub of the world.

GCMMF - Gujarat Cooperative Milk Marketing Federation Ltd.

- » It is India's largest food product marketing organization of Asia.
- » GCMMF - AMUL was the MAIN SPONSOR & SUPPORTING BODIES of the event and also marking their presence in the exhibition.
- » The exhibition was visited by Shri Ramsinh Parmar, Chairman of GCMMF and KDCMP UNION LTD. (AMUL) and Shri R S Sodhi, Managing Director of GCMMF they visited the exhibition and attended conference with great interest by visiting each participants personally.

DLPE ASIA 2019

Shri Vijaybhai R. Rupani

Hon'ble Chief Minister of Gujarat

Chief Minister urged farmers to practice drip irrigation for achieving better output. Gujarat has been a forerunner in agricultural production and farmers can cultivate crops and vegetables based on the requirements of international market for better returns. The CM further added that the state government is constantly on its toes to double the income of farmers by 2022 as envisioned by Prime Minister Mr. Narendra Modi. Talking about irrigation facilities, the CM said that the waters of Narmada have reached to Saurashtra and North Gujarat which has enabled farmers to cultivate 3 crops at a time.

Shri Narendra Singh Tomar

Hon'ble Minister of Agriculture & Farmers Welfare & Cooperation - Government of India

Gujarat has been able to lead India from the front due to the visionary steps and policies of Prime Minister Mr. Modi during his term as the Chief Minister of the state. Mr. Tomar said that the budget for Ministry of Agriculture was Rs.1 lakh 64 thousand crores between 2014-19 compared to Rs.87 thousand crores in 2009-2014. The mission of 'Jai Javan Jai Kisan' as envisioned by Former Prime Minister Late Mr. Atal Bihari Vajpayee is being carried forward by Prime Minister Mr. Modi with the motto of 'Jai Javan Jai Kisan Jai Vigyan'. The contribution of farmers will be instrumental in making India a 5 trillion dollar economy. In addition to cultivating crops, the farmers should also focus on animal husbandry, apiculture, horticulture etc.

Important Facts & Figures

6-8 September, 2019

Companies Participated: 200+

Farmers visited the exhibition: 1, 00, 000+

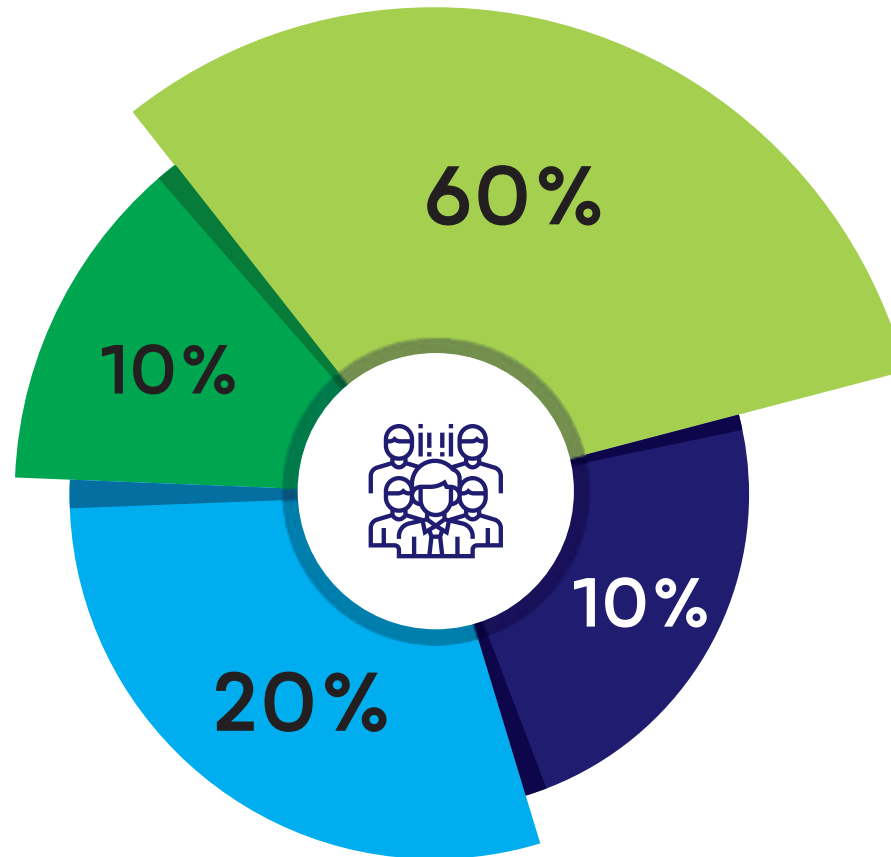

Indian Livestock industry makes up for a significant amount of World's livestock resources through value addition and export of dairy, fishery, wool, poultry and other products. It has proved to be boon for sustaining livelihood of the landless farmers and marginal farmers by self-employment opportunities. Also, this occupation provides subsidiary income source to people living in drought prone, hilly, tribal remote areas where crop production is not sufficient. It is estimated that about 70 million rural households own livestock of one species or the other. Women constitute majority of workforce engaged in livestock sector.

Livestock Industry Covers, Dairy, Poultry, Fishing, Wool and Meat Industry under itself.

Dairy Industry in India is growing at high momentum. India produces more than 13% of total milk production in the world. Yet, Per Capita Milk Availability is still lower in India. Poultry in India started as a backyard activity and in the past three decades it has gone through a revolutionary change. From a backyard activity it has got transformed into well-organized, scientifically oriented and technologically driven industry. India Stands 5th in Egg Production and the Poultry Industry grows at around 8-10% per annum.
